

# Chartered insurance brokers

Proud of our status

## Our Chartered status

We're proud to have been awarded the prestigious title **'Chartered Insurance Brokers'** by the Chartered Insurance Institute (CII).

This title is only awarded to firms committed to developing and maintaining the knowledge and capability of their people so they can deliver the highest quality advice.

Chartered firms must also follow a demanding code of ethical practice. This means they must work in an ethical manner that places clients' interests at the heart of the advice they give.

Chartered status – granted by the Privy Council – is the industry's gold standard for insurance brokers and is currently met by fewer than 100 firms across the country.

## Why you should use a firm of Chartered Insurance Brokers

Chartered status brings with it serious obligations. We are required to ensure the advice, service and ongoing support we provide to you is:

- of the highest quality
- based solely on your researched needs
- provided by someone operating within their level of competency.
